

35-37 Hardwick Street Stratford QLD

3 2 3

This absolutely stunning 1950's renovated Queenslander is sure to impress the most discerning buyers with her opulence and charm.

The creative style with which this split level home has been renovated provides a designer, executive residence with an abundance of natural light, space and seclusion in the affluent suburb of Stratford. Impeccably finished throughout and displaying a generous contemporary floorplan it offers multiple living spaces with the indoors flowing seamlessly to meet the outdoor entertaining deck, sparkling in ground pool and rainforest canopy.

Set on 1600sqm this home is an excellent example of how authentic Queensland architecture can be blended seamlessly with contemporary design which provides a prestige level of living that enables the owners to enjoy a
